FAIRYTALE EXPERIENCE

WALDORF ASTORIA CHICAGO | PHOTOGRAPHY BY CARASCO PHOTOGRAPHY

Chicago's top wedding executives were invited to an enchanting evening at the Waldorf Astoria Chicago for The Fairytale Experience, designed and created by KESH events. Models in Galia Lahav couture gowns from Bella Bianca Bridal Couture flanked the walls of the party with their hair done by Juan Jose Herrera, makeup by Make Up by Aga and styled by Issac King. An elegant flower wall designed by Akeshi and her masterclass attendees illuminated the space as guests walked in. Upon entry, attendees were welcomed with a violinist and upbeat music in the ballroom by Cagen Music. Live painting by the talented Lothar Speer of Brush and Heart captured the attention of those invited as guests perused the space enjoying delicious bites and cocktails created by Executive Chef, Michael Vaughn.

“Rise” – Cagen Music’s hot new contemporary four-piece band entertained in the Waldorf Astoria Ballroom.
